Now then, let's get on with this.  
It's sort of hard to fill in the gaps  
this time. So in this issue, there  
will be unsightful contents. Well  
then, the first question is...

: Wai...wait wait !!  
This is no good, Usui-san, such thing....!!!

: Eh? what's wrong with this, Yukimura?

: That... That's because i'm chosen for the questionnaire section of this  
issue! And Usui-san said the first question... what do you mean by that...  
Well since it's happening already, I'll learn as much as possible from  
this.....

質問 4 : IS USUI BORN IN THE PERVERT MONTH?

: I'm born in my month.

: WAAIIITT!!!! wha.. what a way to answer the question....!!!

: Eh... but when it's Yukimura who answers, it's more INTERESTING isn't it?

: That... that's so unkind of you, Usui-san....!!!

質問 5 : WHERE IS THE PLANET THAT USUI-SAN LIVES IN?

: That's right, I'll try to answer this rather simply however....  
IT'S A PLACE WHERE YOU CAN BE COMPLETELY NAKED WHILE SITTING ON THE HIGH HILL  
LOOKING AT THE STARRY NIGHT SKY AND IT'S CONSIDERED STYLISH TO DANCE HAVING FUR ALL  
OVER YOUR BODY, IT'S NICE TO BE SEEN DIMLY LIKE THAT.

: UwaAAAAa... You'll be seized by the police, acting like that!!

: Eh? Did you actually believe it, Yukimura?  
I was just deceiving you, it's only true at the end.

: Please! Cut it out...!! How can it be stylish having fur all over your body!  
That's out of common sense....!!!

: Then, that will be my one and only new style.

: Stop acting playfully... wha.. what's wrong with you...!!  
Please stop it! Uwa... please take that off your body.....!!!

: Don't you want to go there too, Yukimura...

: I don't know what sort of planet that is, but i  
DEFINITELY DON'T WANT TO GO THERE~!!!  
(dashes away with lightning speed )

I'm so happy ~

I, as the Manager Satsuki-san  
will try to answer anything  
that you ask!

**Q9 : Maid-Latte's menu is ?**

: Oh this, how do I say it?

Firstly it's the [Love Crush Crush Omelette Rice] !

It's a light meal made of pasta filled sandwich.

It's a meal that will make anybody who eat it feel safe and happy, strange isn't it?

Well the delicious taste of the food is the most important point. No matter whether it's sweet, parfait, cookie or the extraordinarily cute ice plate.

Types of drinks includes coffee, black tea and fruit drinks. We don't sell alcohol.

But, talking about types, we do have a large amount of types of black tea.

The light and deliciously sweet tea is strongly recommended by me. ☆

Basically our menu is set to give off this feeling :

**IT'S A SPECIAL MENU WHICH YOU CAN USE IT IN ANY EVENT ANYTIME.**

Things that are hand-made by Maid-san are not available except for some seasons...

So your partner will definitely feel very happy if you give it to them on a special day ♥

**Q10 : Who has the best personality among everyone in Maid-Latte?**

: Oh well... Just so you know, this isn't the true answer so this policy is not attached inside the character popularity ranking...

Well firstly, Honoka-chan is the comforting type, all the regular costumers always say that she gives out a wide, broad feeling. Everybody tries to listen to her story pleasantly as much as possible since **IT'S TOO DEEP FOR OUR KNOWLEDGE TO UNDERSTAND IT.**

But she's still a very good Maid-san.

Erika-chan is, well her nice, must-help-buddy personality will always attract & charm people. Subaru-chan is the legitimate Maid-san because she has a very strong personality.

Everyone of them has an undefeatable appeal of their own, and since they've worked in this shop for a long time, their presence is very strong and is always noticable by others.

But, those 3 person's rival and the one with the most experience is of course MisaKi-chan...!

At first for a short period of time, I was frustrated over her development. But, she managed to understand and maintain the endurance to do this job very quickly ! That's why she's the most original Maid-san here !

Ehh, is this the end already !? How disappointing, I haven't said enough yet !

Oh well, I'll try to answer the next time's questionnaire too,  
so wait patiently ~!
